PE INTERNATIONAL

PE Americas at the LCA VIII Conference!

The LCA VIII conference, organized by the ACLCA, is the eighth in a series of US-based conferences on life cycle assessment, and it will be held this year in Seattle, Washington from Sept. 30th-October 2nd (conference website <http://www.lcacenter.org/LCA8/index.html>)

Once again, PE Americas, a joint venture of Five Winds International and PE, will be attending this important conference and we invite you to join us at our booth to discuss your product sustainability challenges and our market leading solutions!

We also invite you to join us the Monday before the conference at a workshop on Life Cycle Assessment and/or a free workshop featuring our GaBi 4 life cycle engineering software program. We will also be holding a GaBi 4 training session on the Friday after the conference.

GaBi Workshop (Monday, Sept. 29th)

Free half day workshop to introduce our life cycle software platform GaBi 4 and to explore different approaches for measuring and quantifying the life cycle performance of processes and products.

GaBi Software

Introduction to LCA Workshop (Monday, Sept. 29th)

A half day workshop on Life Cycle Assessment methodology, we will also explore techniques for applying Design for Environment (DfE), methods for calculating the carbon footprint of products and tips on developing credible Environmental Product Declaration (EPD).

GaBi Training Session (Friday, Oct. 3rd)

We will be holding a full-day GaBi Training session for the discounted price of \$500 per person (regular price \$750/person) on Friday, Oct. 3rd. The session will cover GaBi modeling - basic and advanced techniques, including how to create a life cycle model and how to analyze and interpret product performance. Bring your laptop for this hands-on training session!

We hope you can take advantage of this opportunity to visit with our experts and see firsthand the powerful capabilities of the software and its database content. If you would like to schedule a specific time to meet please let us know.

To register for the workshops please sign up on the conference website. To register for the training session, please contact Liila Woods at l.woods@pe-international.com. We look forward to seeing you at the conference and the workshops!
